Use for active acne to help prevent scars and discoloration, and post acne skin repair. Key actives: HP Na DNA, zinc DNA, ATP (adenosine triphosphate and chondroitin sulfate), resveratrol, peptides, algae, Sepicontrol®, allantoin, soothing Phytoamine®, Triple A Complex®, Fucogel®, Seamollient®. 800-468-4362, www.atzen.com or RR# 169

Bodyography's new Electric Lip Slides are launching as the Sweet On You Collection, with four sweet shades. Each new color is highly pigmented and is a unique hybrid of a lipstick, gloss and stain. Infused with natural butters and vitamins, the Electric Lip Slide hydrates and protects your lips all day long. 800-783-9969 or www.bodyography.com

Christina Cosmeceuticals' Forever Young Hydra Protective Day Cream SPF 40 uses biomimetic proteins to protect, rejuvenate and deeply moisturize for a youthful radiance without a skin-clogging after feel. Also works to protect skin from future environmental damage with SPF 40 protection and can be worn daily alone or underneath makeup. 888-604-6268 or www.christina-usa.com

Butterfly Lash Solutions' PAPILLON Lash Serum is a nutrient rich serum designed to enhance natural lashes, creating beautiful, longer, fuller lashes containing vitamins and moisturizing agents that hydrate, condition and strengthen brittle lashes. This paraben-free formula should be applied twice daily. 813-223-1875, www.butterflylashsolutions.com or RR# 146

clean + easy®'s Black Tea with Argan Oil has potent antioxidants from black tea and ancient therapeutic properties of Moroccan argan oil combine to create a gentle but effective all-purpose wax that removes even the coarsest hair with ease. Argan oil is rich in vitamin E to moisturize and condition the skin. The exotic aroma will invigorate the senses and stimulate the mind. www.cleanandeasyspa.com

COOLA®'s new Environmental Repair Plus line will nourish, hydrate, restore and shield skin from the sun, the elements and environmental stressors that can make skin look and feel older than it should. We blended organic and natural ingredients like radish root, Japanese seaweed and alfalfa extract, known for their protective properties to craft a powerful skin defense line that has you covered in or out of the sun. 760-940-2125 or www.coolasuncare.com

Depilar System™ uses the latest in advanced scientific research in proteolytic enzymes to offer an effective and affordable in-salon method for lasting removal of unwanted body hair for all sexes, races, hair colors and types. This treatment is a must for women and men who have trouble with their hair removal maintenance and for once want it to vanish. 818-641-1065 or www.depilarsystem.com

DermaMed Solutions introduces Argan boost serum™ to the dmSkincare line. Post treatment skin requires special attention to achieve optimal results. Argan boost™ provides a light, non-greasy barrier layer with regenerative and anti-microbial properties. Natural and organic ingredients like argan oil, squalene and jojoba mimic the skins oils to protect and maintain moisture, creating a lustrous, glowing appearance. 610-358-4447, www.dmSkincare.com or RR# 276
