Depilar

Depilar is an enzyme-based permanent hair removal treatment that is performed immediately after waxing to effectively and affordably remove unwanted body hair for all sexes, races, hair colors and types. A treatment takes approximately one to ten minutes, depending on the target area, and regularity of treatments every four to six weeks over a 12 to 24 month period is recommended to effectively destroy all hair cells. 877-GO-DEPILAR or www.depilarsystem.com

...to soothe the skin, to its skin with the highest highly concentrated ... yields a powerful ... a form of vitamin ... in one industry it is ... style-to-sophisticated types. 800-743-3795

Ebumbed™

Ebumbed™ is a professional-strength numbing spray that works within one to three minutes. It contains the highest grades of lidocaine and benzocaine in a water-based formula, so it will not sting or leave greasy residues. It will not interfere with other treatments being administered. Does not contain parabens, phthalates, petroleum derivatives, artificial colors or fragrances. 888-360-0707, www.ebumbed.com, or CR# 119

NuFace Lifter helps achieve a maximum 8% Vitamin C, a powerful antioxidant, helps charge over free radicals and repairs damaged skin while lifting and toning; hyaluronic acid promotes absorption of vitamin C and hydrates the skin by maintaining moisture in the connective tissues. 888-360-9171 or www.nuface.com

Control Corrective Skincare

The winter season can put the freeze on once healthy skin, causing uncomfortable and unwanted cracking, drying and itching. Control Corrective's Intensive Body Smoothing Lotion helps dissolve dry skin flakes and moisturizes, ideal for all skin types and everywhere from the décolleté to dry elbows, arms and legs, the supporting body lotion hydrates and softens skin. 866-290-4290 or www.controlcorrective.com

Dr. Grandel

Treat and Soothe Winter Creams is a great beauty companion in the cold months. The rich formula with natural balancers and conditioning oils reduces redness and helps restore elasticity and comfort. Soothing actives ease skin's natural process of regeneration. Soybean discourages moisture loss while shea butter heats skin to silky smoothness. 866-685-7006 (AM), 888-266-0820 (PM), 262-644-2275 (PM), 888-645-1161 (SE), 877-238-4773 (NE), 800-561-2364 (Central), www.grandel.de, or CR# 176
