# SHOWCASE

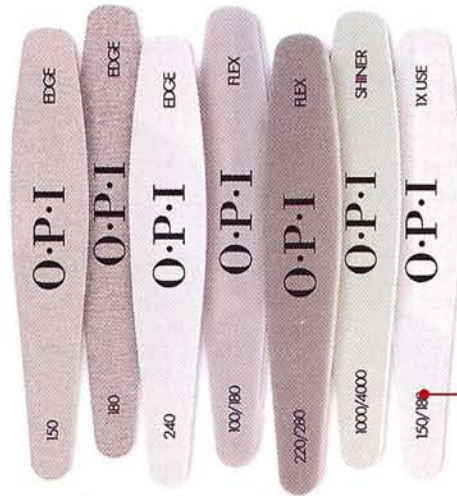

**Herbatherapy** from Duri Cosmetics features a blend of natural herbal extracts and oil with a real herb stem inside the bottle that releases vitamins and microelements, allowing the product to soften, moisturize and nourish dry cuticles. **800.724.2216, duri.com. Use FreeInfo #169.**

Made from cobalt stainless steel, the Antoine de Paris **#87 Ingrown File** is designed to get close to and correct ingrown nails. Created with three different file surfaces and handcrafted with a superior grip, it can tackle any ingrown nail. **800.222.3243, antoinedeparis.com. Use FreeInfo #151.**

**Professional Files by OPI** from OPI Products is a complete abrasive system with board and buffer formats that features an exclusive patent-pending shape uniquely contoured for maximum efficiency, ergonomics and precise filing. The system includes Edge Cushioned Board Files, Flex Foam Buffers and Disposable files. **800.341.9999, opi.com.**

Provide clients with lasting hair removal using the **Depilar System**. For use after waxing, the system targets and destroys hair follicles with a unique combination of trypsin and chymotrypsin, which breaks down the structure of hair-producing cells. With continued use, the system destroys hair follicles and prevents further hair growth. **877.463.3745, depilarsystem.com. Use FreeInfo #172.**

Clients will be dolled up and ready to hit the town with LeChat **Dare to Wear Doll House**. The collection features six glittery lacquers in a range of colors, such as lavender and sky blue, and top coat to bring the nails to a beautiful shine. **800.553.2428, lechatnails.com. Use FreeInfo #168.**

Essie Cosmetics introduces **Essie Ejuvenate**, a comprehensive luxury hand treatment system that increases skin elasticity, evens skin tone and prevents premature aging. The system includes Hydro-Therapy Hand Revitalizer to cleanse; Microdermabrasion Hand Refiner to exfoliate; Advanced Radiance Hand Treatment to treat; and Intensive Recovery Hand Cream to hydrate. **800.232.1155, essie.com.**
